

On 2-3 December 2013 the VOLANTE Consolidated Visions Workshop was held in Brussels followed by a short Preview and Feedback Meeting.

The objectives of the meeting was to give our stakeholders the opportunity to provide feedback on the development of the consolidated visions, the planned modelling, pathway and trade-off analyses designed to identify the way towards the future visions. The presentations of this meeting are freely available and can be downloaded here:

1. [Visions analyses](#)
2. [Consolidated Visions](#)
3. [Road mapping](#)
4. [Pathways and trade-off analyses](#)
5. [Next steps](#)

The report of the meeting can be found here
